Dear Community Member:

Thanks to the all-star support of our incredible partners, our charity bowling event has been knocking down pins and breaking records for over 20 years! Together, we've contributed over \$314,286 to Youth On Their Own, a local 501(C)(3) organization dedicated to keeping homeless youth in the game and on the path to graduation victory. Just like a great team backs up their players, YOTO provides financial assistance, basic human needs, and guidance, ensuring these students stay in school and reach the finish line. Let's keep the momentum going and continue making a difference—because every pin knocked down is a step closer to success!

In 2023, we put up over \$20,000 on the scoreboard at the Tucson Bowling Event, helping even more kids stay in school and chase their dreams!

Now, we're drafting new partners and sponsors to help us change the game for at-risk youth in 2025! Every partnership dollar is a game-winning assist, giving students the support they need to keep their education on track.

Our 2025 goal is to put \$27,000 on the scoreboard for Youth On Their Own—and we need MVPs like you to make it happen! Suit up, step up, and let's bring home the win for these students!

We're suited up and ready for game day on July 12, 2025, at Fiesta Lanes in Tucson! This year, we're calling on our all-star players to help us score big for homeless youth. With at least 300 fans in the stands, we'll be racking up points through tournament bowling, a silent auction, raffles, and the ultimate Prize Lane showdown—all to raise money for the real MVPs: the kids! Lace up, bring your A-game, and let's make this event a championship victory!

To become a 2025 Partner, return your pledge form to let us know how you wish to help. Your certificate for tax-deductible contributions will be received following the event. If you have any questions, please call (520) 878-6737 or Toll Free ARCA at (602) 335-0133.

On behalf of Members of the Arizona Roofing Contractors Association, our volunteer charity bowling committee, Youth On Their Own and the students served, we thank you very much for your consideration.
